JONKER FAMILY ESTATE

venue

Weltevrede is a beautiful countryside wine estate and an ideal venue to make your wedding an amazing experience. The spacious grounds, the quiet and peaceful atmosphere and the strikingly pictorial landscape of vineyards, mountains and nature packed river banks will make for an inspiring wedding with a difference. We offer various options to suit the style, size and feel of your wedding.

THE BANQUET-STYLE BARREL-LIT CELLAR

This venue can host 150 guests if you would like to include space for a dance floor (cement) or 200 guests if you do not need to include a dance floor. This is a large, spacious cellar that can easily be decorated according to your décor ideas. This package includes the use of the Bistro and outside "under the vines" courtyard area should you wish to use it for the welcome and pre-drink area. The use of the underground cellar and the expansive grass area is also included, for example as the ceremony area.

BISTRO AND OUTSIDE "UNDER THE VINES" COURTYARD AREA

This is very suitable for small weddings of up to 30 people in the restaurant, and 60 people under the pergola. Wooden tables and chairs are included.

MYSTERIOUS UNDERGROUND CELLAR FOR INTIMATE WEDDINGS

The underground cellar is character-full, rustic and very romantic, ideal for wedding receptions of up to 40 guests. The theme here is candlelight, vintage and poetic. Please note that use of this venue in this package does not include the use of the other venues. Should you wish to use the pergola area for pre-drinks, this depends on the time of the wedding and should be arranged with the estate.
